

## Goodfellas Riding Club Scholarship

GRC started in 2012, we raise money for scholarships, cancer patients, the food shelter, toys for tots, etc. This scholarship is based on two “brothers” we lost in a tragic dirt bike accident in 1998. Kevin Magner was a motorcycle-loving, kind-hearted guy with a bright future ahead of him. Prior to the accident, he was going to college to be a motorcycle mechanic. Jared Byrnes was a fun-loving, dirt bike enthusiast with a love for farming. Prior to the accident, Jared was employed at Reel Core. This scholarship is open to anyone and everyone but is preferred for people with similar interests as our “brothers”. GPA and status are not as big of a deal to us as we focus on people who share the work ethic and interests our “brothers” did. The amount of the scholarship is disclosed after all submissions are in. Please give short but detailed responses to our questions. Please submit applications to [goodfellasridingclub@gmail.com](mailto:goodfellasridingclub@gmail.com).
